| 25        |    |                |    |    |    |    |    |    |    |   |    |                 |    |    |    |    |    |    |   |                |    |    |    |    |    |    |    |
| 26        |    |                |    |    |    |    |    |    |    |   |    |                 |    |    |    |    |    |    |   |                |    |    |    |    |    |    |    |
| 27        |    |                |    |    |    |    |    |    |    |   |    |                 |    |    |    |    |    |    |   |                |    |    |    |    |    |    |    |
| 28        |    |                |    |    |    |    |    |    |    |   |    |                 |    |    |    |    |    |    |   |                |    |    |    |    |    |    |    |
| 29        |    |                |    |    |    |    |    |    |    |   |    |                 |    |    |    |    |    |    |   |                |    |    |    |    |    |    |    |
| 30        |    |                |    |    |    |    |    |    |    |   |    |                 |    |    |    |    |    |    |   |                |    |    |    |    |    |    |    |

## **Behavior List**

| <b>Basic Behavior</b> |  |
|-----------------------|--|
|                       |  |
| Locomotion            | LO moving forward or backward (walking or trotting)                              |
|                       | AL leg lift/kick (foot raised at least one foot above the surface of the ground) |
| Feeding               | FD feeding or drinking   |
|                       | DG digging with trunk or tusk  |
| Bathing               | BA splashing with water or mud wallowing   |
| Grooming              | DS dusting (tossing sand, dust, or dirt onto own body with trunk)                |
|                       | RB rubs body against something   |
| Cooling Down          | FE flapping or spreading ears  |
| Sleeping              | SL sleeping  |
|                       |  |

| <b>Social Behavior</b> |  |
|------------------------|--|
|                        |  |
| Friendly               | ME manipulate enrichment (moves, pushes, tosses, or picks up enrichment "toy" provided)    |
|                        | AF social affiliation (social play, trunk tangle, caressing with another elephant)         |
| Conflict               | AG social aggression (attacks with trunk, mouth, legs, head but, pushing; exclude keepers) |
|                        | SB social submissive (pawing, arched back, foot swing)                                     |
|                        | FS foot slam (violently strikes foot into surface)   |
|                        | HB head butt (hits head into surface with force)   |
| Sexual                 | CR caressing (touching head and entwine trunks together)                                   |
| Parentina              | TU tucking (tucking the calf under chin with trunk)  |

| Other Behavior |  |
|----------------|--|
|                |  |
| EL             | elimination (defecates or urinates)  |
| СТ             | Contact (touching another elephant)  |
| PR             | R proximate (within one body length from an elephant)                                |
| DS             | 5 Distant (greater than one body length form another elephant but still within view) |
| FD             | far distant (out of view of other elephants)   |
| TV             | trumpet vocalization (makes trumpet sound)   |
| PV             | purr/rumble vocalization (makes a purr or rumble sound)                              |
| 0\             | other vocalization (makes slurp, scream, etc. sound)                                 |
